

Dear Customers,

April 2022  
NT Tool Corporation

## Information on slim hydro chuck design/model change and price change

Thank you for your continued patronage.

In order to improve the performance of our product, the Slim Hydro Chuck, we will be changing the design/model.

Because of the design/model change please note that the price has changed as well. We apologize for the inconvenience and we thank you for your cooperation.

Below we have outlined these changes, so please read the details.

Thank you for your continued support of our products in the future.

### Notice
