PHC-H (Omega Ω)

High precision

Anti-vibration effect & High clamping force

Special oil chamber around the chucking sleeve absorbs cutting vibrations. Utilizes stronger gripping force than a conventional hydro chuck.

High vibration dampening

Gripping force comparison (ø20mm)

**Get 15% OFF from standard price!** (Standard catalog items only)

If you haven't tried our Hydraulic chuck, PHC-H Omega for your milling applications, this is a great opportunity to try one. PHC-H Omega is capable for heavy milling with less chattering than Shrink-Fit chucks. It creates better surface finish, longer cutting tool life, and more!
